### What do these results mean?

Congratulations! You have passed this Microsoft Certification exam. The information shown above indicates your relative performance on each section of this exam. **Retain this score report to access your program benefits.**

**When will I see my exam results?**

If this is your first Microsoft Certification exam, expect an e-mail from Microsoft that provides your Microsoft Certification ID and access information for the Microsoft Certified Professional (MCP) site (<https://mcp.microsoft.com/mcp/>). The password-protected MCP site is your access point for the proof-of-certification, technical, and community tools that are benefits of membership in the MCP community. You can download your logo or order a welcome kit or certificate, if applicable, on this site. If you are already a Microsoft Certified Professional, return to the MCP site to view your updated transcript and download your logo or order a welcome kit or certificate, if applicable.

Please note that it can take up to seven business days for passing results to be displayed on your Microsoft transcript. If you do not receive this e-mail within seven days, please contact a Regional Service Center (<http://www.microsoft.com/learning/support/default.msp>) for assistance; you will need this score report for verification. To learn more about the benefits of Microsoft Certification: <http://www.microsoft.com/learning/mcp/benefits/default.msp>. For assistance with the MCP site, visit: <http://www.microsoft.com/learning/mcp/mcpmembersite.msp>.

**MCP Member Site**

The MCP Member Site is located at <https://mcp.microsoft.com/mcp>. Step by step instructions on accessing the MCP Member Site are available at [http://www.microsoft.com/learning/mcp/passport/instructions\\_a.asp](http://www.microsoft.com/learning/mcp/passport/instructions_a.asp).

**MCP Welcome Kit**

Welcome Kits are made available upon completion of each Microsoft Certification (i.e. MCDST, MCSA, MCSE, MCTS, MCITP, MCPD, etc.) rather than upon completion of individual exams. After your transcript has been updated to indicate your new certification, your Welcome Kit will be available for order.

All Welcome Kits require verification of shipping information on the MCP Member Site before a Welcome Kit shipment will be sent. To initiate the shipment of your complimentary Welcome Kit, please visit the MCP Member Site at <https://mcp.microsoft.com/mcp/>.

It is important to make sure the profile information used to register for Microsoft Certification exams matches that of your MCP profile (for example, Sue versus Susan or Mike versus Michael).
